

Open Position: LifePulse® HFJV Clinical Specialist

Bunnell Inc., a leading manufacturer of high frequency ventilators for infants is hiring a Clinical Specialist to support the LifePulse HFJV and help the company grow. The ideal candidate will be a registered respiratory therapist with a minimum 5 years of experience using the LifePulse HFJV.

Special consideration will be given to applicants with product sales experience in the healthcare industry, and/or management in a hospital environment.

Employee will be based in Salt Lake City, Utah at the Bunnell headquarters.

This Clinical Specialist will be required to travel regularly and provide education to physicians and respiratory therapists with in-service training, demonstrations, evaluations, and emergency clinical support. Ideal candidate will have skills to help develop multi-media education and marketing materials.

Candidate must have a minimum 5 years' experience with HFJV patient management.

Requirements and Job Responsibilities:

- Licensed Respiratory Therapist, Prefer Neonatal Pediatric Specialty "NPS" credential with preferred experience teaching, training, and administration in a clinical environment.
- Provide clinical and technical support to clinicians with regular travel and Hotline staffing.
- Employee will help recruit new users and support existing user facilities.
- Employee will help define, develop, and maintain clinical education materials to ensure effective training and outreach programs, along with content on the company's website.
- Special consideration given to candidate with technical skills and ability to produce videos, graphics, animation, videos, and other education and marketing materials: MS PowerPoint and/or Apple Keynote.
- This person will consult regularly with Research and Development and Regulatory departments and be involved with decisions at the highest levels at the company's headquarters in Utah.
- Excellent interpersonal and presentation skills, organizational skills, attention to detail. Troubleshooting and problem-solving skills. Ability to work independently and multi-task.
- Expectation of long-term company commitment

Bunnell Inc. offers incredible benefits including:

- Competitive Compensation
- Employee Stock Contributions – Bunnell is an ESOP
- Profit Sharing
- 401K with up to 4% matching contributions
- Company paid Medical, Dental, Vision and Life Insurance
- Vacation and Personal days
